Fish Mount Options

(continued)

Lilly Pads

Artificial lilly pads add amazing realism. The size ranges between 4 and 6”.

\$36 for 1 small, 1 medium and 1 large

Freeze-dried Bait Fish

These are real bait fish ranging in size from 3 to 7 inches. Only crappie and bluegill are currently available.

\$35.00

Freeze-dried Crawdad

Freeze dried crawdads make the perfect accompaniment to any underwater or creek bank scene. They are available in a swimming pose (pictured) or in a defensive claws-up pose. Actual sizes may vary but usually run between 2 to 3 inches in length.

\$35.00

Artificial Riverbed

We can present your fish mounted on this artificial riverbed, either resting in the current, dipping down toward an insect, or pursuing a crawdad or baitfish. The riverbed is flat on the back side to allow for wall-hanging. Size ranges from 12” to 19” long.

\$35 to \$60, depending on size

Wall Mount Display Case

Handcrafted classic oak display case will add a touch of class to any mount while keeping it clean and dust free. Case is 25" x 14-1/2" and is about 8-1/2" deep. Habitat work not included. **Price includes labor.**

\$175

Artificial Rock Wall Panel

This beautiful artificial rock panel is so richly detailed that it is practically indistinguishable from natural rock. 30" x 17" x 3 1/2" deep.

\$195.00

White Mountain Acrylic Domes

These beautiful acrylic domes come complete with finished wooden frames and rear panels. The seamless acrylic dome enhances and protects your mount from dust and damaging UV rays. The high impact acrylic is both strong and lightweight. The acrylic dome is 3/16" thick, and 17" x 36". The picture to the left is of a 32" brown trout reproduction.

\$325.00
